Hall Estill also received an overall Tier 1 ranking for the firm which is the highest ranking awarded to firms.

Hall Estill, Oklahoma's leading law firm, with offices in Tulsa, Oklahoma City, Denver and Northwest Arkansas, has been named in the 2021 edition of *U.S. News & World Report* – Best Lawyers' "Best Law Firms in America." Hall Estill also received an overall Tier 1 ranking for the firm which is the highest ranking awarded to firms. Since 2011, Hall Estill has been recognized in both the first and second tiers in multiple practice areas.

"It is an honor for our firm to continue being recognized as a top law firm on a national scale," said Mike Cooke, managing partner for Hall Estill. "We are committed to growing and expanding our team and expertise and this is a testament to the exceptional counsel our attorneys provide our clients and the community every single day."

The "Best Law Firms in America" are chosen through a rigorous evaluation process that includes client and lawyer evaluations, peer review from leading attorneys in each field and review of additional information provided by law firms as part of the formal submission process. To be eligible for a ranking, each firm must have at least one lawyer who is listed among the "Best Lawyers in America." After this thorough selection process, only a select number of firms received first-tier national and/or metropolitan rankings.

The first-tier rankings are featured in U.S. News & World Report's Money Issue and in the "Best Law Firms" stand-alone publication, as well as on its website and bestlawfirms.usnews.com. This year marks the eleventh edition of this highly-anticipated annual analysis.
