Online Payment Portal & Business Information

Online Payment Portal

Hall Estill offers clients the ability to pay their invoice via the LawPay secure online credit card payment system. Use of this payment option is a free service to our clients. LawPay utilizes the latest security protocols to ensure your credit card transactions are safe and secure.

Credit card payments include a 2% processing fee that covers a portion of the actual cost charged by the credit card processor and reflects actual costs incurred by the firm. Debit cards, prepaid cards, and trust account transactions are not charged a processing fee.

If you have questions or need assistance, please contact Hall Estill's accounting department here and someone will respond within one business day.
