Hall Estill, Oklahoma's leading law firm, with offices in Tulsa, Oklahoma City, Denver and Northwest Arkansas, has four attorneys named to the 2018 Benchmark Litigation's annual 40 & Under Hot List.

Kristen P. Evans and Bryan J. Nowlin have been named from the Tulsa office and Kelly C. Comarda and Seth A. Day have been named from the Oklahoma City office.

The publication commemorates the most notable up-and-coming litigation attorneys in the U.S. Those of the age of 40 or younger named to this exclusive list have proven their eligibility as attorneys at their respective firms. Each attorney has had a hand in some of their firms' most noteworthy recent cases and have earned praise from clients and peers regarding the quality of their work.

"It is a great honor to have our attorneys recognized for their level of legal expertise and accomplishments by this highly respected publication," said Mike Cooke, Managing Partner for Hall Estill. "To have our attorneys recognized for providing excellent client counsel is something in which we take great pride. Our clients are our lifeblood and we could not achieve such recognitions without their confidence and trust."

Attorneys named to the 2018 publication were chosen through several phases of research, including the review of their recent case work, peer review in which attorneys are evaluated based on how peer legal institutions might rank them, and a consideration of client feedback on their performances.
