Eric Money practices in the areas of energy/oil and gas law, agricultural law, environmental law, public utility law, and commercial litigation. Within this practice, he represents oil and gas exploration companies, operators, drilling companies, energy industry service companies, agricultural cooperatives, and other entities and individuals in various sectors of industry.

Eric represents clients in disputes arising from all manner of energy industry contracts including oil and gas leases, joint operating agreements, pre-pooling letter agreements and gas gathering contracts. In addition, Eric has experience representing clients in pollution and property damage claims, employment-related matters, and trade secret disputes. Further, he assists clients with utility rate-related filings before regulatory agencies such as the Oklahoma Corporation Commission on behalf of large consumers of energy.

Eric is a member of the firm's Recruitment Committee.
