John Gile has been practicing law for over 35 years. His primary practice areas include family law, criminal law, and civil litigation. In the area of family law, John has experience in handling cases involving large property division, complex child custody issues, and termination of parental rights. John often serves as a guardian ad litem and parenting coordinator in cases involving children and high conflict cases. He also represents clients in juvenile court regarding deprived children.

John serves as a Discovery Master and he is rated by his peers as “AV Preeminent” and received a scored of 5/5 through Martindale-Hubbell.

In the area of criminal law, he has represented clients accused of crimes in both State and Federal courts. For example, John has had success in representing defendants accused of white-collar crimes from the initial investigation stage through trial. He also has experience representing financial institutions involved in commercial litigation, advising businesses through mergers and acquisitions, and serving as a mediator.

John's construction law experience includes representing contractors in commercial renovations and construction involving state and private projects and installation and construction of water system developments and projects for municipalities.
