

Appellate

We handle appeals of federal and state litigation, both on their cases and those that have been overseen in the trial court by another firm. In addition, our appellate lawyers handle a wide range of services involving appeals and related legal issues, including: briefing and arguing appeals on the merits; preparing and opposing petitions for review in the United States Supreme Court and in state courts; providing advice and assistance in briefing significant legal issues at the trial court level; advising clients on appellate issues during and after trial; handling agency appeals before various regulatory bodies; and preparing amicus curiae briefs.
