

Healthcare Litigation

Hall Estill healthcare litigation attorneys have extensive experience in assisting healthcare providers of all types and sizes, including hospitals, health systems and medical groups, as well as outpatient surgery centers, diagnostic testing facilities, nursing homes, physician groups and health insurance carriers. Further, when needed, we can provide litigation support to individuals practicing in the medical field, such as physicians and dentists.

The firm provides a wide range of healthcare litigation services, including:

- Antitrust
- Employment Law
- False Claims Act and Whistleblower Defense
- Cybersecurity & Data Privacy
- Government & Legislative Relations
- Healthcare Regulation
- Insurance Coverage & Risk Management
- Intellectual Property
- Mergers, Acquisitions and Dispositions
- Real Estate
- Tax
