Of the group honored, two Hall Estill attorneys were recognized for additional excellence among their peers. Elaine R. Turner, shareholder and director, has been named a Top 25 Female Attorney in Oklahoma, as well as a Top 50 and Top 10 attorney in Oklahoma. James C. Milton, shareholder and director, has been named a Top 50 Attorney in Oklahoma.

“We’re always proud of the commitment and service our attorneys provide to our clients and the community. Being acknowledged by their peers in this way is a true testament to our attorneys’ level of expertise and skill,” said Mike Cooke, managing partner for Hall Estill. “We are especially proud of Elaine and Jim for their additional recognition.”

Super Lawyers has been recognized by bar associations and courts across the country for the legitimacy and rigor of its selection process. Attorneys are selected using a rigorous, multi-phase rating process including peer nominations and evaluations combined with third-party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement, and the lawyers recognized represent no more than 5% of the lawyers in the state.

Launched in 1998, Rising Stars is a list that recognizes the top up-and-coming attorneys in the state. To qualify for this award, candidates must be 40 years old or younger or have been practicing for 10 years or less.
