On Saturday, March 12 Betsy & Gerry Jackson were honored at the Tulsa Cares Red Ribbon Gala with the Patricia Chernicky Luminary Award.

Tulsa CARES is the largest and most comprehensive provider of prevention and care programs serving low income individuals living with HIV and Hepatitis C in Oklahoma. The agency is committed to delivering social services to some of the most marginalized and at-risk populations in the area and works to foster a community where people living with stigmatized conditions have equal opportunities for healthy living.
