Denver Attorney Kirk McGill for the Cherokee Phoenix - Win for tribes as high court upholds ICWA

June 15, 2023

Cherokee Phoenix

https://www.cherokeephoenix.org/news/win-for-tribes-as-high-court-upholds-icwa/article_86ac1e80-0bb0-11ee-b315-7ffd756ebbf1.html

"The court rejects all of the challenges to the Indian Child Welfare Act, 'some on the merits and others for lack of standing.' This means that the ICWA survives entirely intact. The ICWA seeks to keep Native American children with Native American families, and no small part because historically the government has removed native children from their families in attempt to re-educate them and stripped of their culture and heritage." J. Kirk McGill, Hall Estill law firm
