Hall Estill Named a "Top 150 Under 150" Law Firm

March 2015

Hall Estill has been named a "Top 150 Under 150" law firm by Vault, the most comprehensive resource for employer, university and internship program rankings, ratings and insight. The list features the top U.S. law firms with fewer than 150 attorneys.

To determine the Top 150 Under 150, Vault first developed a list of the best-known and most sought-after U.S. firms with fewer than 150 attorneys. The editorial and research teams pored through Vault survey data, news stories, trade journals and other legal publications; spoke with lawyers in the field and reviewed other published rankings. Vault editors also assessed each firm for prestige, quality of life and professional growth opportunities, and then narrowed down the results to come up with a list of 150 law firms known for providing top-notch service and delivering big results.
