Richard Edmonson Pens Article on Wind Energy for *Tulsa World*

April 16, 2015

By: [Richard L. Edmonson](#)

Richard Edmonson, shareholder in the Tulsa office, recently authored an article for the Tulsa World regarding wind energy in Oklahoma. Mr. Edmonson focuses his practice on the legal and government affairs issues relating to various traditional and renewable energy technologies being utilized in the U.S. and worldwide, including wind, renewable diesel, electricity, oil and gas and bio-diesel.
