The Chambers High Net Worth Guide ranks the top lawyers and law firms for international private wealth and are based on in-depth analysis conducted by Chambers.

James Milton is a litigation partner at the firm of Hall, Estill, Hardwick, Gable, Golden & Nelson, PC in Tulsa. Milton's practice includes a significant component of weighty fiduciary litigation matters alongside general commercial litigation. An interviewee reports that, *"in the trust litigation space, he would be involved in a lot of the significant cases."* A client says that working with Milton *"has been outstanding," explaining: "I think the most important thing is he was willing to value my input."*
