Hall Estill Recognized by Benchmark Litigation as “Highly Recommended Law Firm”

September 28, 2017

Hall Estill, Oklahoma’s leading law firm, with offices in Tulsa, Oklahoma City, Denver and Northwest Arkansas, has been named a “Highly Recommended Law Firm” by Benchmark Litigation 2018, a leading national law publication. This is the highest category a law firm may achieve through this publication. Additionally, five of the firm’s attorneys have been recognized as “Local Litigation Stars,” and one has been named to the “Under 40 Hot List 2018.”

The following attorneys have been named Local Litigation Stars in Oklahoma:

- Mark K. Blongewicz
- J. Kevin Hayes
- Michael E. Smith
- Steven W. Soulé
- D.K. "Ken" Williams, Jr.

Those named to the “Under 40 Hot List” are:

- Seth A. Day

“Our continued recognition as one of the region’s top law firms truly reflects the hardworking and talented attorneys we are fortunate to have at the firm,” said Mike Cooke, managing partner for Hall Estill. “Having attorneys named in all three Benchmark Litigation categories speaks to our current strength as a firm, but we could not achieve such recognition without our clients’ confidence and trust.”

Benchmark Litigation is the only publication on the market to focus exclusively on litigation in the U.S. The guide’s results are the culmination of a six-month research period that allows their researchers to conduct extensive interviews with litigators and their clients to identify the leading litigators. These interviews are conducted to examine the casework handled by the firms and ask sources to offer their professional opinions on litigators practicing within their state or national practice areas.
