IP STARS
HIGHLY RECOMMENDED

The Hall Estill Intellectual Property practice was recently rated *Highly Recommended* by *Managing Intellectual Property IP STARS 2017*. Several Hall Estill IP Attorneys were also ranked as IP Stars.

Managing Intellectual Property IP STARS 2017 named attorneys Daniel Dooley, Phillip Free, Jr. and Randy McCarthy Patent Stars, and Julianna Deligans, Daniel Dooley, Phillip Free, Jr. and Randy McCarthy Trademark Stars.

"Based in Oklahoma City and Tulsa, Hall Estill focuses on IP litigation in the areas of advertising, media, software, computer and internet law. The firm runs seven offices in five states, with 12 attorneys dedicated to IP practices. Firm shareholder and IP practice lead Randall McCarthy has been singled out by peers for his exceptional work in patent matters, which spans litigation, prosecution, and counseling services. He prepared and prosecuted domestic and international patent applications for Seagate Technology and assumed responsibility for their cryptography and system security portfolio." - Managing Intellectual Property IP STARS 2017

Attorneys

Hallestill Intellectual Property was founded in 1990 and has been researching and ranking IP firms since 1996. As a well-respected publisher in the IP industry, their legal directory, IP STARS, is considered to be the most authoritative and comprehensive.
