Tulsa Trust & Estate Attorney Samantha Weyrauch Davis spoke with Health.com - Your Estate Planning Checklist: How to Make a Will and Where to Find Expert Help

With a global pandemic sending people to the hospital and causing tens of thousands of deaths in the US to date, people are thinking about what might happen if they're affected. Do you have an estate plan? And is it up to date? As the health crisis continues, it's more important than ever that you get your affairs in order.

"Just the other day I received a call from an internal medical physician very concerned that he will be exposed to COVID," Samantha Weyrauch Davis, an attorney with national law firm Hall Estill and a CPA, tells Health. "We're seeing that particularly from people in the medical field."
