

## Ventures Growth

To early and growth stage company leaders, the Hall Estill Ventures Growth Practice is the go-to, growth-empowering IP protection and legal guidance firm. We uniquely integrate patent prosecution and venture-related legal services specifically tailored to help navigate the challenges that startup leaders face.

Hall Estill's team is comprised of members who have the experience needed to take your idea from dream to reality. Our team has intimate relationships with venture capitalists, investors and funds. Hall Estill and [Rocky Mountain Patent](#) have integrated to build on their reputation as prominent patent practitioners by leveraging the resources of a top-tier regional law firm featuring a full-service team.
