Zoning and Land Use Entitlements

Our attorneys represent real estate developers, property owners and managers in maneuvering through the maze of zoning codes, state laws and federal statutes that can effect land use. Our team has in-depth experience and can assist in the following issues:

- Annexation
- Entitlements
- Land Development Codes
- Municipal Law
- Historic Preservation
- Planned Unit Developments
- Public-Private Development
- Redevelopment
- Subdivision Codes
- Wind Energy Zoning and Land Use
- Wind Energy Site Acquisition

In addition, we can help to obtain variances from the effect of zoning codes, if needed.
